SUBJECT: TENTATIVE LIST – POLICE DETECTIVE

The following are the names and whole score rankings of the top 277 candidates for Police Detective. This list is tentative and subject to adjustment under the provisions of the Civil Service Rules. The Personnel Department has mailed Police Detective examination result notifications to all candidates informing them of their whole score grades and rank position. Candidates are reminded that the names within each whole score ranking are listed in alphabetical order and do not necessarily reflect the order in which candidates finished. Personnel should refer to the Personnel and Training Bureau Notice dated May 19, 1983, in regard to the certification of promotional lists under the concept of “Three Whole Scores.”

Candidates will not be appointed until they have submitted original transcripts or degrees as proof of completion of 60 semester or 90 quarter units from a recognized college or university. A recognized college or university is one that is accredited by an approved accrediting agency. Original transcripts or degrees must be submitted to Position Control Section, Personnel Division prior to appointment.
